

Classic

Produced by the HUGEL family, 12 generations of unbroken winegrowing tradition since 1639. Alsace is the driest wine region in France with a cool and long growing season giving unique dry wines with great finesse and unequalled intensity.

Classic "Hugel" wines are made exclusively from hand harvested grapes from vineyards, in a dozen of the most favoured localities in and around Riquewihr.

With true Alsace character, these "Hugel" wines faithfully mirror the characteristics of each varietal and each individual vintage.
